

Edgewater Growth Group Discussion Questions
You are Invited to The Cosmic Dance
Philippians 4v10-20
Week 19 / 5.29.2016

Based on what you heard in the message on Sunday; how would you describe the cosmic dance between The Father, The Son, and The Holy Spirit? What's going on in that dance?

There are two different approaches that I see in connection to our relationships (with God, others and self) and in our giving and receiving; The Transactional Approach and The Trinitarian Approach

How do you see the Transactional Approach? Explore how this approach shapes and informs the dynamics below.....

In our friendships?
In our marriages?
In our relationship with God?

How does the Transactional Approach affect our giving?

How do you see the Trinitarian Approach? Explore how this approach shapes and informs the dynamics below.....

In our friendships?
In our marriages?
In our relationship with God?

How does the Trinitarian Approach affect our giving?

What are we participating in when we give our time, resources, energy and money to the body of Christ?

Spend some time praying for The Edgewater Community.

Our hope and desire is to continue seeing the life giving presence of Jesus spread throughout Contra Costa County and beyond through this beloved community that many of us see as family. We have been invited to the dance. We are invited to participate in what God is doing in our cities.

Will you accept the invitation?
